**The Need for Protection** is obvious. Is there protection for all the countless papers at present in your files and drawers?

# An Easy Digestion and Sound Sleep

Peppermint is an old, much-appreciated and well-known Carminative. Peppermint Lozenges, as usually supplied, are not strong enough; in other words, their efficacy is sacrificed to the call for a sweetmeat, flavoured with peppermint. Curiously Strong Peppermints, as their name denotes, are of special strength and consequent value as a Carminative, and are purely medicinal. "ALTOIDS" are the Original Curiously Strong Peppermints which have been manufactured by us for considerably over a century. They are warming and comforting, and will be found useful after meals and on retiring.
